## With Unite, you get the essential tools you need to create a consistent communication experience

### BUSINESS PHONE

Highly reliable cloud-based phone system with 90+ calling features, crystal clear call quality and HD voice.

### VIDEO CONFERENCING

Securely meet face-to-face with your employees and customers from anywhere with up to 3 video feeds.

### TEAM CHAT

Bring your teams together and quickly communicate with coworkers from any device.

### FILE MANAGEMENT

Share and collaborate on files securely from any location with real-time backup and restore.

## The Benefits of Wherever, Whenever Communication

### INCREASED FLEXIBILITY & PRODUCTIVITY

Unite enables workers to collaborate from anywhere, on any device.

### HIGH RELIABILITY

Unite delivers 99.999% reliability, so you're never out of touch.

### LOWER COSTS

No phone system hardware to buy, install, manage, upgrade, or replace.

### SIMPLIFIED SCALING & MANAGEMENT

Unite scales according to the needs of any business.

### BUSINESS CONTINUITY

Unite keeps businesses connected and running even if the power goes out.

## Regardless of where employees are located, Unite keeps teams connected and productive

### DESKTOP APP

The Unite Desktop App allows users to place calls, chat, host or join a video conference, and share files right from their Mac or PC.

### MOBILE DEVICE

Seamlessly switch your workspace to any Apple or Android smart device with the Unite Mobile App.

### DESK PHONE

Pre-configured phones connect to the feature-rich Unite service wherever they're plugged in.

## Additional Features Available with Intermedia Unite

### ARCHIVING

Securely back up your organization's phone calls, meetings, chats and SMS conversations.

### COMPANY MESSAGING

Give customers the ability to conveniently communicate with your business via SMS, MMS, and phone.

### TOLL-FREE CALLING

Save time and money with one consolidated bill, flat rate pricing, and shared minutes across users.

## More responsive customer care with Integrated Unite and Intermedia Contact Center

### ALL-IN-ONE PLATFORM

One seamless cloud solution with a single user interface merging employee productivity with omnichannel customer engagement.

### A MORE INFORMED ORGANIZATION

A singular platform helps businesses cut hold times, increase call effectiveness, and improve employees' ability to resolve issues quickly.
